ITINERARY: BUS TOUR CODE

DAY 1: KASANE

Clients are met by their guide at the lodge reception at 18h00 for a pre departure meeting. Chobe is famous for its beautiful scenery, magnificent sunsets and abundance of wildlife and birdlife.

DAY 2: CHOBE NATIONAL PARK

A sunrise game viewing boat cruise is enjoyed on the Chobe River. We return to the lodge for breakfast and then travel in our open sided 4x4 safari vehicles into the Chobe National park. Our private campsite is located inside the park where we set up bush toilets and bush showers. Late afternoon we enjoy a game drive in the area in search of the many wild animals coming to and from the river to cool off. The sounds of the nocturnal animals can be heard while enjoying dinner around the campfire in our private campsite where we set up bush toilets and bush showers. (**Serviced Camping - B, L, D**)

DAY 3/4: SAVUTE

Traversing the park we set up camp in the famous wildlife area of Savute. It constitutes the western stretch of the park. The Savute Marsh is the relic of a large inland lake whose water supply was cut a long time ago by tectonic movements. Nowadays the marsh is fed by the erratic Savute Channel, which dries up for long periods then curiously flows again, a consequence of tectonic activity in the area. We undertake afternoon and morning game drives in open 4x4 safari vehicles in search of the animals inhabiting the area.

(**Serviced Camping - B, L, D**)

DAY 5/6/7: KHWAI AREA OF MOREMI WILDLIFE RESERVE

Packing up camp we exit Chobe and enter Moremi Game Reserve on a game drive. This is pure wilderness area of great beauty, with rich green vegetation, palm trees, teeming with birdlife and a vast population of wild animals. We set up our private campsite inside the park with bush toilets and bush showers. Early morning and afternoon game drives are enjoyed in this untamed wilderness.

(**Serviced Camping - B, L, D**)
